[11:16] <darksydephil> yeah right haha

[11:16] <bethelewd> yeah unlikely

[11:16] <yuichimccry> hit the goals yesterday?

[11:16] <bethelewd> we hit the tip goal

[11:16] <bethelewd> not the patreon

[11:16] <factorbactorjr> it would be a miracle lol

[11:16] <sofiarayne> hi

[11:17] <lawhorn234> @DarksydePhil does your community have people that plow the sidewalks, roads, driveways, etc or do they make the home owners do it?

[11:17] <bethelewd> well it is nearly 2018 miracle might happen

[11:17] <bethelewd> its 4 hours and 14 mins from 2018

[11:18] <yuichimccry> I am sure by now he has enough to take care of taxes, but I understand having more just in case. I know they do let you do installment plans as well.

[11:19] <darksydephil> BeTheLewd have you not paid attention?

[11:19] <darksydephil> we far exceeded the tip goal so much that it made up for the patreon

[11:19] <darksydephil> so im doing the MGS2/3 event. its quite amazing how much support i got

[11:20] <bethelewd> i wasnt here for the final part of yesterday stream i just read the twitter

[11:20] <bethelewd> its cool that you got a 1000 cheer again
[11:20] <bethelewd> :D
[11:20] <darksydephil> i would be a pretty ungrateful asshole if i didnt do the MGS2/3 event after the amount of rallying support i got this weekend
[11:21] <bethelewd> or tip
[11:21] <darksydephil> btw if i get 10 more subs today, we earn yet another emote

[11:22] <griffinbox> Was this the most you've ever made on a stream?
[11:22] <yuichimccry> Still not sure why you get so much hate. I have seen far worse than you make a ton more money and people think they are the greatest thing ever.
[11:22] <griffinbox> I wasn't here to see it
[11:22] <bethelewd> see phil your fans dont want you to suffer or lose your house or see you in trouble, true fans of someone will always help out
[11:23] <lawhorn234> @DarksydePhil so wait, do you now have enough to completely pay off the interest and back taxes?
[11:23] <bethelewd> also trolls cant do nothing against that
[11:23] <factorbactorjr> i was only able to give like \$10 total because i need money for my tuition. but i do what i can

[12:03] <skooma_dealer> oh he wont

[12:03] <duderito2> there's always gonna be taxes though given the irregularity of twitch income maybe consider a different approach

[12:04] <skooma_dealer> so is this an admission

[12:04] <stinkinburrows> @Rocthaice24 I always feel like he limits his interaction with twitch chat to a degree because he's worried about how it will affect his yt, if he left yt and focused entirely on twitch, he could interact more and draw more subs and cheers, in the end twitch would b more prolific
